Regrets : Laurie, Rhonda, Voula, Amy, Dianne, Lisa, Shauna

We will defer spending the \$1000.00 to next year (extra monies). We need further discussion.

Moving forward our last council meeting will be in April as many people have other commitments in May. We will still meet for a June social

Wellness Night was a success. Over 200 people attended. If we were to organize again, we will put speakers on the passport to encourage families to visit down the hallway. We will not have Wellness Night in 2017 but may again in 2018.

Arts Night- a good turnout. Better set up this year to hear the band on stage.

We will have revisit the various initiatives we have (Jump rope, Bookfair, French Cafe, Walk for Hope, Cake Walk) all these were within the same time frame and there was quite a bit of money coming through the office. Spread these out. Some parents were not happy with the constant requests for monies for various activities.

Busy weeks with Mental Health Week, Catholic Education Week, Folk dance, pizza and milk

Cake walk not money maker however made \$1004.00 . A cake walk can be tied to anytime during the year (Christmas, Valentines). Spread activities out.

Putting \$1004.00 toward the music program.
